CLUB NEWS:

The Two Mile High Club is gearing up for a great Fall Fest October 5th & 6th, there will be live music, beer tent, chili cook-off, pie baking contest and more! Plan to come for a weekend of fun and relaxation!

The donkey pasture is in the process of getting a new fence, check it out when you have time!

The Two Mile High Club is working on a "Healthy Herd" campaign. We are working hard to help our herd live happier and healthier lives. We are asking that you NOT feed apples, banana, carrots or any other "People Food" due to the high sugar content. PLEASE FEED ONLY APPROVED Donkey Biscuits, which can be purchased at the winter pasture, the Heritage Center, Jail Museum and numerous local businesses.
